

A Great Lifestyle Franchise Opportunity

Tatty Bumpkin is the award winning yoga inspired multi-sensory programme for children aged 1 – 7. Embracing the principle that movement is the basis for learning, it is a fun and wonderful way to open the doors to a child's imagination.

Developed in collaboration with physiotherapists and renowned educationalists, the sessions increase motor skills and physical ability. The basic premise revolves around the doll, 'Tatty Bumpkin' who lives on Wobble Farm.

The storyline captivates children immediately – they meet her new friends and encounter different situations, each played out by a yoga pose or action. Some are boisterous, others are calm and reflective. Tatty, the bendy doll, is used to demonstrate them, making it entertaining and easy to follow. With the accompanying music, the sessions are a wonderful way to encourage free expression in a fun, open and safe environment.

Owning a Tatty Bumpkin franchise, combines

an organic lifestyle with real earning potential. This is an exciting dual-income opportunity for those looking to change career and to work with an award winning ethical enterprise that incorporates teaching of the classes and sales of their organic, bamboo and fair-trade clothing.

Franchisees will be able to operate their area as their own entity – from researching the local market and creating the business plan to determining its size and scale, but with the benefit of a supportive network for advice every step of the way.
